

Welcome

Antoniou Y. Building Constructions LTD was established 18 years ago in 1992 as a construction company but soon evolved to a developing company and has been growing ever since.

Our vision is to develop buildings to cover all market needs. We have chosen to cooperate with young and enthusiastic architects committed to designing modern and innovative buildings. We place particular emphasis on the quality construction of our projects and to a consistent, professional and reliable relationship with our customers.

As the sole building contractors of all our developing projects, we can ensure that all our buildings are constructed in the most professional manner and with a scholastic attention to detail. We can therefore ensure that our projects are delivered on time and provide an exceptional after-sales service.

Today Antoniou Y. Building Constructions LTD stays loyal to that vision with main axis safety and quality.

Our excellent team of consultants in fields of civil engineering and architecture are the guarantee for the highest building standards.
